

August 15, 2010

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2009-2010 educational progress for the Belding Area Schools district and our schools. The AER addresses the complex reporting information required by federal and some requirements of state laws; however, our staff is available to help you understand this information. Please contact any of our building principals or Director of Instruction and Technology Mike Burde, if you need assistance.

The AER is available for you to review electronically by visiting the following web site: <http://www.bas-k12.org/index.php/news/article/basaer/>.

You may also review a copy in the main office of your child's school.

The report contains the following information:

Student Assessment Data– Michigan Educational Assessment Program (MEAP), Michigan Merit Exam (MME), and Michigan's Alternative Assessment Program (MI-Access)

- Presents achievement data for English language arts and mathematics for grades 3 to 8 (MEAP), for grade 11 (MME) and science for grades 5 and 8 compared to targets for all students as well as subgroups of students
- Provides achievement data for English language arts, mathematics and science for students with significant disabilities (MI-Access) compared to targets for all students with disabilities as well as subgroups of students
- Helps readers understand achievement progress within schools and compare these to district and state achievement

Adequate Yearly Progress (AYP) – Detail Data and Status

Provides information from assessments, graduation and attendance rates and AYP status in relation to four criteria:

- The district must test 95% of students in total and in each required subgroup
- The district must attain achievement goals in English language arts and mathematics or reduce the percentage of students in the non-proficient category of achievement significantly ("safe harbor") annually
- The district must attain achievement goals for each subgroup that has at least 30 students in the group

- The district must meet or exceed the other academic indicators set by the state: graduation rate for high schools and attendance rate for elementary and middle schools

Teacher Quality Data

- Identifies teacher qualifications at district and school levels
- Reports percentage of core academic classes taught by teachers not considered highly qualified to teach such classes

NAEP Data (National Assessment of Educational Progress)

- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8
- Cannot be compared with MEAP results for grades 4 and 8 because there are no national standards.

For 2009-2010, Belding Area Schools (as a district) made Adequate Yearly Progress (AYP) in English language arts and mathematics. Additionally, Ellis Elementary, Woodview Elementary, Belding Middle School and Belding High School all made AYP. However, the Belding Alternative School of Education (BASE) did not make AYP. Below you will find the reasons BASE did not make AYP and a summary of the actions underway to improve.

School Name	Reason(s) for not making AYP	Key actions underway to address the Issues
Belding Alternative School of Education (BASE)	Adequate Yearly Progress (AYP) was not met in: <ul style="list-style-type: none"> - ELA/Reading - Mathematics 	Restructuring the BASE program including: <ul style="list-style-type: none"> - Closing of the Washington Street building - Relocation of the BASE program to Belding High School - Delivery of the BASE program as a school-within-a-school model

Once again, each of our buildings' main offices will have a letter and school specific AER to help answer your questions. These are also posted on the district and building web sites.

As we enter the 2010-2011 school year, I cannot imagine a more exciting time for our students, parents and community in relation to the educational opportunities and offerings at Belding Area Schools. As many of you know, our district recently received North Central Association (NCA) accreditation, solidifying our mission to provide continuously improving, top-notch education for students. Our teachers have implemented several research-based initiatives in an attempt to provide cutting-edge classroom experiences. Most importantly, our students continue to show growth and determination in reaching rigorous state standards. Finally, we are in the process of nearly \$40 million in building and site

improvements. It is truly an exciting time to be a part of the Belding Area Schools community. Thank you for continuing to make Belding Area Schools, "The right size. The right choice."

Sincerely,

Leslie Mount, Ed.S.
Superintendent
