Belding Area Schools Charging Policy

Lunches may be charged up to \$10.00 per family and \$5.00 per individual. If you have a negative balance you may receive an email message, and an automated phone call with instruction on how to amend your negative balance. If you are unable to correct a negative balance please call 616-794-4937 or 616-794-4994 to make arrangements for payments so your student(s) will not experience an interruption of lunch services.

Account Balance and Payments

We do not monitor your student's account unless it goes into a negative balance. We believe it is the parent's/guardian's responsibility to do so. Your account may be checked online at the BAS website: www.bas-k12.org. You must have a Skyward username and password. If you do not have these please contact the Technology Department at 616-794-4553. You can also call 616-794-4994 and we will gladly give you your student(s) balance.

You may make secure online payments once you are logged into your food service account on the BAS website.
