

BELDING AREA SCHOOLS
School/Parent Compact for Ellis Elementary School
2007-2008 School Year

To demonstrate our belief that high student performance is a shared responsibility by parents, the entire school staff, and students, the School Improvement Team of Ellis has developed the following school/parent compact:

Ellis Elementary School will provide all students with the appropriate curriculum and instruction to provide the maximum opportunity for all students to successfully meet the State of Michigan's content and performance standards. Furthermore, regular and open communication regarding student progress will be maintained at all times including regularly scheduled parent-teacher conferences, frequent progress reports and responsible access to staff.

In turn, parents of participating students will agree to be responsible for supporting their child's learning. This support will include – but not be limited to – monitoring attendance, homework completion, volunteering to help in the classroom when possible, and participating in decisions regarding their child's education and use of extra curricular time.
