May 17-21, 2010

MATH NEWS: We are finished with our required material for the year and are enjoying some thinking games in math!

LANGUAGE ARTS NEWS: The kids are continuing to read from their book boxes, read to partners and have done a lot of reading with me in the past 2 weeks.

SCIENCE/SOCIAL STUDIES
We have been learning about plants and their parts and functions. In addition, we are starting to cover the history of Belding.

Wow! We are really getting close to the end of the year! About 10 days left and your child will be an official 3rd grader.

Our trip to Camp Roger was wonderful and a big thank you to all of the parents/grandparents/sisters who were able to go with us. It was a great day and for the first time in three years, I didn't get wet!

On Thursday, May 27, we will be walking to the Belding Library and the Belding Museum. Please make sure your child has comfortable clothing and shoes for walking. The Belding Library has some really fun things going on over the summer for their summer reading program. Your child has a bookmark with some information on it. Check it out!

Please be mindful of the dress code for school. No spaghetti strap shirts or short shorts and skirts. If your child comes to school in flip flops, please be sure they have other closed toe shoes to play outside in.

Field Day is set for Friday, June 4th. Lunch is being provided by PTO.

The last day of school is Tuesday, June 8th and dismissal will be at 11:45.

Thank you for being so good about returning your take home books. Most of the kids are very responsible about turning them in.
