to save us time!!!

Dear Families,

As Spring is upon us we realize that there is very few days remaining in this school year and we are getting ready for 2nd grade. We are working very hard on our new skills for this trimester and they are listed below. We are also making huge progress with all of our other 1st grade skills. Please help at home to make learning these new skills FUN and EXCITING!

Our Café menu is filling up and we are making more choices each day to make us better readers. Ask your child which strategy they are working on this week.

Writing Workshop will have a publishing party right after Spring Break so you will see how we have grown into writers over the last couple of months.

We are working on the following word families:

**-ank                      -ink                      -unk**

## New Skills for the Trimester:

- Telling time to the 1/2 hour
- Ordinal numbers (first, second, third, etc.)
- 10 more or less and double digit addition
- MONEY (penny, nickel, dime, quarter, dollar)
- Using our prior knowledge to make sense of books
- Writing and reading poetry

Thanks you for continuing to send in book orders. We have added 45 NEW books to our classroom library. Now I need a new book shelf... It is a great problem to have!!! THANK YOU So MUCH!

Thank you for sending me your BEST!

Sincerely,

Mrs. Jackson
