

Belding Area Schools

The right size. The right choice.

Mrs. Laurie Jenks
Bi-Weekly Second Grade Update:)

2-3-12

Dear Parents,

I sent home a snack calendar and valentine list with students last Friday. If you have not seen either item, please let me know and I will make sure one is sent home to you.

Our Valentine Party will be on Feb. 14th from 1:00-2:00ish. We will be celebrating by making sugar cookie fruit pizzas, building Sweetheart Towers, playing Valentine Bingo, opening Valentines, competing in a heart scavenger hunt and having a chopstick/candy relay. In order to compete in all of these events and accumulate the necessary equipment for the party, I would like to ask you to help. We need:

25 sugar cookies
Cream Cheese Frosting (1 can)
Washed Berries/Cut up kiwi
Hershey Kisses
Napkins, Plates, Cups
Juice
Anything other fun food or games.

Please let me know via email or phone message which of the items you may be able to provide for our party. I think it will be very enjoyable for all of us.

Students may/may not put other students names on each Valentine Card. It is your choice. It seems to be easier to pass out Valentines without names, but discuss it with your child. If you choose not to address each Valentine, please be sure your child does sign the card so others know the giver.

Hope you have a wonderful Super Bowl Week End!

Sincerely,
Laurie Jenks
