

Welcome to the 15th Annual Day to Believe!

The B Foundation is honored to welcome you to this special evening — a celebration of hope, strength, and community.

Tonight marks the grand finale of Pink Week, a time when Belding comes together to make a difference. Earlier this week, our incredible volunteers helped Paint the Town Pink, adorning streets and storefronts with ribbons of every color — each one representing a member of our community touched by cancer.

Throughout the week, local businesses, residents, and teams have proudly shown their support through Pink Games, creative displays, and heartfelt tributes. Students joined in with enthusiasm, spreading awareness through decorations, education, and acts of kindness.

Together, we unite to honor those we've lost, celebrate survivors, and continue believing that our community can make a difference!

Belding Black Knights (6-1)

-vs-

Comstock Park Panthers (2-5)

Founded in 2011, The B Foundation provides support to families in the Belding community affected by cancer. In its first year, The B Foundation provided financial support to three families. Now, through the generosity of local businesses and community members, and through various fundraisers and donations, The B Foundation has raised over \$1,000,000 and has supported more than 500 Belding families, and that number continues to grow.

Join us as honored bell ringer Tammy McMahon kicks off the Glow Run/Walk 5K!

The event begins at Rudness Field, winds its way through the heart of Belding, and concludes at The Candlestone, where the celebration continues with an Afterglow at the Water Tower Grille.

Come cheer on the participants, light up the night, and help us celebrate hope, strength, and community!

If you would like to get involved in any of our events OR if you know someone who needs our support, please visit us online: www.theBFoundation.org
